

01/04/13 AAPS Student Chapter Meeting Notes

1. Winter bowling party, Collins

- Tuesday, January 8th 2013
- Lanes were reserved already; two lanes from 6-9
- Pizza can probably be ordered from the alley; we should ask them but typically they don't allow outside food
- Event flyers should be posted in the kitchen area and officers should remind people of the event
- Payment should be made with old checks until new checks can be ordered

2. T-shirt design contest

- Flyers should be sent out soon with rules and submission specifications
- Discussed whether to vote on all options or eliminate options before voting; will depend on how many submissions are received
- Design needs to be promoted
- Decided to e-mail flyer on 1/7 and give approximately one month to create submission

3. AAPS Alumni seminar

- February 15th 2013
- Dr. Aimee K Bence, Currently: Sr. Clinical Research Scientist at Eli Lilly and Company, confirmed visit
- Dr. Caroline Strasinger, Currently: CMC Drug Reviewer at Food and Drug Administration still needs to confirm; Catina is working on the necessary paperwork for her to visit
- Discussed whether to have breakfast or lunch with her; decided to have a late breakfast (~9 AM) to assure maximum attendance
- Discussed having a short event after their seminars
- Discussed purchasing birthday cake

4. Reminder AAPS website update (update new AAPS officer info + upcoming events)
