

AAPS Meeting Minutes

1/27/2014

1. UK Engineering Day:

- a. The event is going to be held on Saturday (2/22) from 9am to 1pm
- b. Nico has set up a spreadsheet for everyone to sign up for shifts
- c. There will be a morning/setup shift and an afternoon/take down shift
- d. Everyone needs to sign up for one of the shifts
- e. Several ideas for demonstrations were discussed (paper chromatography, pH of foods, effervescent dyes, ice cream) and will be finalized by 2/14

2. Officer dinner:

- a. We wanted to have an event to appreciate the service of past officers and to welcome new officers to the committee
- b. Several restaurants and times were discussed, but we decided Pazzo's for dinner
- c. Lin will send out a doodle poll to decide on a mutually agreeable time

3. AAPS Invited speaker:

- a. Pharmacokinetics, Pharmacodynamics, and Drug Metabolism (PPDM) Education Initiative
- b. \$1000 grant to pay for travel and lodging of one invited speaker/visiting scientist
- c. Dr. Sugiyama was suggested as a potential guest (need to contact him very early), but his flight and lodging would be significantly more expensive than a domestic speaker
- d. Grant expires in June 2015, so there is no immediate deadline
- e. Need to coordinate with Dr. Anderson and Catina for a seminar slot and lodging arrangements once a speaker is identified

4. Other spring events:

- a. Several events were discussed, including a community outreach (AHA Heart Walk (Saturday May 10th at Keeneland)), alumni seminar
- b. A grant writing seminar/lunch event was discussed for graduate students
- c. Maddy will contact Dr. Grubbs about an event time
- d. Fundraiser/publicity events (t-shirt sale, water bottle sale, card holder sale, lanyard sale, etc.) were discussed for incoming graduate students (not for interviews)
- e. Fun student-faculty activities were discussed (lasertag, dodgeball)
- f. Dhalia will contact Champp's about lasertag group rates for a March event

5. New officer info for the AAPS website:

- a. Send bio and picture to Hui Li (Historian): h.li@uky.edu, following current officers as an example <http://pharmacy.mc.uky.edu/aaps/13officers.php>
