

AAPS UK student chapter Event at the UK College of Pharmacy:

Qualifying Examinations Discussion + Lunch, March 8, 2012

Attendees: Kyle, Nilay, Ore, Andrei, Joseph, Dan, Xiaoda, and Lei

- This event was organized by the UK AAPS student chapter in order to provide a forum for pre-quals students to ask pertinent questions regarding the process of the qualifying examinations
- About 40 graduate students were able to attend and participate in this event
- Dr Pauly (DGS) gave a power point presentation about the process for the quals as well as a few instructions about the dissertation process
- Dr Pauly and Catina were at hand to answer questions asked by the students during and after the talk
- AAPS student chapter provided soft drinks and pizza for all attendees
