A. Visiting Scientist request filled, waiting to hear back on possible dates:

Need dates in next few weeks to schedule during normal seminar times

*Jerome P. Skelly, Ph.D. is the Past President of the American Association of Pharmaceutical Scientists (AAPS) and Adjunct Professor of Biopharmaceutics at the University of Cincinnati College of Pharmacy. Dr. Skelly received his undergraduate degree and his Ph.D. in Chemistry from Wayne State University in Detroit, and completed a post-doctorate in Pharmaceutics at the University of California at San Francisco. He held senior scientific and management positions in FDA for more than 24 years, much of it as director and program manager for biopharmaceutics. He was also a World Health Organization consultant to*

*Egypt. At the time of his retirement, Dr. Skelly served as a member of the U.S. Federal Government's Senior Executive Service holding joint appointments as Deputy Director of CDER's Office of Research and Associate Director for Science in the Office of Generic Drugs (OGD). Throughout his career, Dr. Skelly has received notoriety from AAPS for his contributions to pharmaceutical science including being selected as an AAPS Fellow and awarded the 2002 AAPS Distinguished Service Award.*

B. Fall picnic

C. Undergraduate outreach – gear it for recruiting into pharmaceutical science

- Shadowing grad students

- Try to get underclassmen

- Informal presentations at other nearby undergraduate schools

- pair people from different divisions

- Career fair

- Graduate school fair? Check with career center – Dhaval check on this

- Help with Open House

  - Recruit students to attend

  - Give presentations and grad students attend to answer questions

  - Give lab tours

  - Melissa and Joe will coordinate with Catina

D. Young scientist seminars

GPEN – only have two interested, a really good opportunity, grad students only giving posters and presentations, corporate sponsors which go to recruit.

Cover registration and housing for two students.

May be able to send more and still be able to attend and present.

Melissa to send out another email.

AAPS student conference

- Professional development workshops

- Student symposium

- Academia vs. industry talks

- Poster session (along with normal meeting session)

- Coffee breaks - meet and greet
