 - only invite grad students and summer students
 - only save \$1/ticket for pre-ordering; just have everyone meet on site on the day of and purchase there (bleacher tickets \$4)
 3. Advertisement – Daniel
- Note: can do picnics at the Legends game – may be something we want to consider in the future

III. Fall Activities

A. Visiting Scientist Seminar

1. Dr. Skelly available September 30th-November 12th, December 20th, December 30th

2. Departmental seminar slots filled – other options

- October 22nd from 1-2 (before dept seminar)

- since there will likely be a lunch with dept seminar speaker, could do a breakfast, then have faculty meetings, then have several AAPS members take him to lunch

B. Orientation care packages

- 7 new students

- do not include POP students or Dr. Munson's students

- Ask Sucharita to check into lab coats

C. Fall picnic

- Jacobson Park

- Kyle, Joe, Dan to arrive early and grill

- meet in late July to finalize this

D. Undergraduate outreach – coordinate with Catina

- Melissa to email Catina with our info

E. Internship Panel Discussion – currently have 3-4 students doing summer internships – would be good to have them discuss what they experienced, how this affected their Ph.D. (e.g. time to completion), how they found/got the internship

IV. Next meeting

- Late July to finish planning for care packages, fall picnic
