 - September 10-12, 2008
 - Two free trips awarded by dept.
 - More towards PK/drug delivery side
 - One faculty member subsidy
 - Will need to submit abstracts to compete for student subsidies
 - UK should also try to host this at some point
- f. Next year's AAPS conference
 - i. tentative AAPS/faculty meeting in early April
 - include interest group?
 - include administrators
 - ii. Ideas
 - keep award recipients but eliminate more of the alumni focus
 - research day – make it more of a local affair
 - invite professors and students from nearby colleges
 - possibly invite another large university to foster collaboration – University of Cincinnati, University of Louisville, Ohio State U.
- 3. Phone conference with Jeb Harter and Stacy May from AAPS Wednesday
 - a. Ideas/concerns
 - student recruitment – expand outside of pharmaceutical sciences
 - suggest that they have small amounts of money that would be available to chapters that submit proposals for interdisciplinary activities – need to support smaller activities

4. Updating student fellowship list activity
 - a. domestic versus international student fellowships
 - note any international students that have been awarded these fellowships
 - someone needs to go through and revamp list
5. Website status
 - a. Mikolaj has learned the basics
 - b. Pictures – officer pictures
 - get individual pictures from Catina
 - get Catina to schedule the photographer to come take the group pictures
 - aim for March
 - c. Link directly from pharmacy homepage?
 - d. Upload minutes or news page
6. Date for next meeting
 - a. And member meeting?
 - End of March

Open the floor to new ideas and questions
