
AAPS-UK Memorandum

To: AAPS-UK Executive Committee

From: Laura M. Land, AAPS-UK Secretary
Phone: 257-2300 ext. 256
E-mail: lamcca2@uky.edu

Subject: Minutes from the Executive Committee meeting on 12/05/03

Date: 12/12/03

A meeting of the Executive Committee was held on 12/05/03 at 1 pm.

Members of the Executive Committee present:

Joanna Koziara, 2003 Chair
Bethel Sharma, 2002 Chair
Jigna Patel, Vice-Chair
Laura Land, Secretary
Phil Empey, Historian
Chandra Patel, GPC Representative
Dr. Brad Anderson, Advisor

Updates:

- Elections for officers of the AAPS Executive Committee will be held on Friday, December 12. The election will be held immediately prior to and following the Division seminar by a secret ballot. The AAPS has just announced that in the future, they would like all student chapters to hold elections prior to November 1st.
- Aska informed the group that the next UK Post-graduate Conference will be held in spring of 2005. Its focus may be a reunion theme in an effort to draw more attendees. Planning for this conference will begin this spring.
- The Young Scientist Development Series will begin January 14th at 4pm, with Dr. Mumper speaking about his experiences in both industry and academia. The series will be advertised by posters placed throughout the Pharmacy, Biochemistry, and Chemistry departments. The series will continue with talks on a monthly basis.
- Dr. Anderson reminded the chapter that the deadline for abstracts for the GPEN meeting is approaching quickly. The college will provide funding for one student and one faculty member to attend. A faculty group will be assembled to choose these representatives by submission of extended abstracts.
- The Eli Lilly tour is scheduled to take place in late January. Details of the trip will be planned during the next few weeks.

Activities to be completed:

- Hold elections and induct new officers to the Executive Committee.
- Finalize plans for the tour of Eli Lilly scheduled for late January, 2004.
- Continue recruiting speakers for the Young Scientist Development Series.
